British Hypnotist Dr. Jonathan Royle, aged 41 of Rochdale, Greater Manchester has today become the fourth Hypnotist in the World to ever be inducted into the Hypnosis Hall of Fame by The South African Academy of Hypnosis.

Awarded to Royle by the S.A.A.H President Max Kaan this recognises Royle's outstanding contributions and achievements in and to the Hypnotherapy, NLP and Psychological Mind Therapy Professions.

Royle who was born on a travelling Circus and made his stage debut aged 3 as Flap The Clown, has been a Professional Hypnotherapist since the age of 14 and has also performed Stage Hypnosis Shows from the age of 15 around the world.

During the past two decades he has taught his creations of Complete Mind Therapy (CMT) and Mind Emotion Liberation Techniques (MELT) to thousands of people all over the world who are now themselves helping their clients to change their lives for the better.

His courses in Clinical Hypnotherapy, Neuro Linguistic Programming and Related Psychological Mind Sciences and Positive Mind Control Psychology are unrivalled, hence he has the confidence to offer a full one year money back guarantee on them, something other Hypnosis trainers are too scared to do.

Indeed Royle has been sought out by some of the Worlds Leading Medical Professionals to help them Master the Art of Hypnosis

To celebrate this Award, Royle is offering Journalists the chance to be Hypnotised to help them with any Fear, Phobia, Habit, Addiction or other issue they may have.

This could prove to be a most interesting and fascinating feature item for your publication.
