Do you want your next wax to be your last?

We're working with the latest innovation to stop hair growth – NEW and EXCLUSIVE to the UK!

Frénésies <https://frenesies.com/pages/about-us> is a £250 worth herbal based treatment targeted to stop all unwanted hair growth permanently! The treatment is to be used immediately after waxing, and followed for the next 4 days! After that... NO MORE HAIR GROWTH!

Designed in three variations – Frénésies Facial, Frénésies Body and Frénésies Men – the creams are proven to provide a safer, healthier and pain free solution better than any other product or treatment currently in the market.
