- QVCUK.com to launch with pre-sale of new characters on Force Friday

Posh Paws has been channeling its inner Jedi to create an exciting line of soft toys to celebrate the eagerly awaited Star Wars: The Last Jedi film out in cinemas this 14th December, offering fans of all ages their favourite characters in adorable soft plush.

Available from November, Star Wars characters both old and new will be given a huggable makeover and turned into soft toy bag clips as well as small, medium and large cuddly toys. The range includes characters from both sides of the Force, such as Praetorian Guards, Stormtrooper Executioner, Porgs and BB-9E. Perfect for recreating scenes from the newest Star Wars movie, and for a late night cuddle as you drift off to a galaxy far, far away.

The new characters will be available to pre-order when they are launched on TV and online exclusively by QVCUK.com (<http://www.qvcuk.com>) on Force Friday (1 September) at 9:00 and 13:00 hrs. The XL plush toys will be priced at £29 each, or you can get a set of two medium characters at just £24.40.

Also available are those characters that have graced our screens for many years such as Yoda, Darth Vader, Darth Maul, Boba Fett, stormtroopers, Chewbacca, R2-D2 and C-3PO. Giving a nod to the more recent releases in the beloved film collection is loveable droid BB-8, Kylo Ren, Rey, Finn and Captain Phasma – all of whom also appear in the new movie, Star Wars: The Last Jedi.

For collectors seeking something special, Posh Paws has also unveiled its new 'Deco' Star Wars plush range, presented in a galactic black branded gift box (RRP £25.00). Yoda, Chewbacca, BB-8 and Darth Vader are all given the Deco treatment with enhanced detailing and materials for a really premium finish. These will also be available via QVCUK.com.

The Posh Paws Star Wars toy range is priced between £5.99 and £34.99, and is available from September - December in Sainsbury's, Argos, Hamley's, Harrods, Toys R Us, Amazon & Debenhams.
