About Bird & Blend Tea Co.:

Bird & Blend Tea Co. is an independent, award-winning tea company on a mission to reimagine the Great British brew. After years of working in the tea industry, Krisi Smith and her partner Mike decided to use their passion for tea to create their own innovative, top-quality blends.

The couple started the business in their bedroom, packing tea and attending markets to sell their exciting creations. Building the brand from scratch, Krisi and Mike now have a growing team and a thriving online store.

Leading the way in British tea innovation, the brand now offers the country's largest range of creative blends, using a wide range of ingredients including herbs, flowers, fruits, caramels, and chocolate. The Pantry, a brand new range of household provisions, is designed to help the nation stay stocked up during these uncertain times.

As well as through online, Bird & Blend retails via 10 UK-wide stores, based in Brighton, Bristol, Tunbridge Wells, Nottingham, Manchester, Cardiff, and London sites: Angel, Borough and Portobello. They also attend festivals and run educational Tea Mixology workshops.
