“Freshen up the home with small but impactful pieces for an easy style update.”

Rebecca Snowden, Interior Style Advisor at Furniture And Choice (FurnitureChoice.co.uk (https://www.furniturechoice.co.uk/)), shares 3 stylish home décor DIYs that are chic and easy to create.

1.Designer-worthy rattan sideboard

A top interior decorating trick is to choose storage solutions that are stylish in their own right. For instance, upgrade a sideboard with some rattan and paint to turn it into a mid-century inspired statement piece.

“This is an impressive DIY that packs a real style punch,” says Rebecca. “Here, we’ve paired our painted black rattan sideboard with gorgeous Oakham White Pattern Tiles (https://www.wallsandfloors.co.uk/oakham-white-scored-tiles) by Walls and Floors (https://www.wallsandfloors.co.uk/) to completely transform a classic monochrome hallway.”

2. Ombré dip-dye wall hanging

Introduce bohemian style to the home for a touch of colour and whimsy. Soothing yet eye-catching, an ombré dip dye wall hanging is a minimal, contemporary take on a traditional macramé piece.

“Because it’s made with string, it has a soft and comforting quality that makes it a great accent piece for the bedroom where you want a calm setting,” explains Rebecca. “Ocean blue or neutral hues are safe tones to try, but this is also a good opportunity to bring in a new pop of colour.”

3. Tie-dye wall art

Discover shibori, the Japanese art of tie-dye, to create beautiful prints as wall art. This is a simple DIY that can be a fun family activity too.

“The shibori technique is beginner-friendly and produces uniquely patterned designs that can be used in many ways,” shares Rebecca. Frame up the fabric, use them as napkins (https://www.furniturechoice.co.uk/inspiration/diy-shibori-tie-dye-napkins_a10000041), or turn them into pillowcases for a cohesive look throughout a room. “Decorating a space with DIY handiworks is a great way to show off your personality and really add a sense of warmth.”
