BELFAST, February 24th, 2021 – Repstor (<https://www.repstor.com/>), the Microsoft 365-based information and matter management specialist preferred by professional services firms globally, has announced that Coca-Cola European Partners has selected Repstor for Legal™ to help transform the way its in-house legal team accepts, manages and reports on corporate matters.

Repstor for Legal, which harnesses popular Microsoft 365 applications including Outlook, SharePoint and Teams, will help streamline the handling of legal matter, from initial business request to end reporting.

Standardizing on the Repstor solution will enable the 70-member in-house legal team to collaborate more consistently and effectively across multiple jurisdictions and enhance reporting. This will help the department deliver and demonstrate greater value to the business.

Repstor for Legal provides an intuitive document and matter management solution which capitalizes on users' familiarity with Outlook, enabling them to more effectively manage, process and report on corporate legal matters.

"It's fantastic to see another major global brand recognize the power and simplicity of managing legal matters using the tools people already use every day, which is Repstor for Legal's great appeal," comments Sheila Gormley, Repstor's Executive VP for Legal Solutions.

"We are seeing phenomenal growth in demand for Repstor for Legal, and we're delighted to welcome Coca Cola European Partners on board as a customer."

Coca-Cola European Partners (CCEP) is the world's largest independent Coca-Cola bottler, based on net sales.
