Rose Ross, Chief Trailblazer and Founder of The Tech Trailblazers Awards said; “Congratulations to our 2021 Tech Trailblazers! Our 10th edition has been the most popular year for entries yet, so your place in the Tech Trailblazers hall of fame has been well and truly earned! We’ll be keeping an eye on how these

innovations continue to blaze a trail in 2022, and I eagerly await the #TechOnFire winners podcast discussions soon!"

Shortlists for each category are chosen by the panel of leading IT industry experts, and winners are identified by a combination of judging panel opinions and a public vote. Winners of the regional Hopper (Americas), Kesavan (Asia Pacific) and Turing (EMEA) awards have been determined by the highest number of public votes in each region.

Key dates for your diary: Entries for the 2022 Tech Trailblazers Awards will open in Summer 2022.

Notes to editors

Founded in 2012, the Tech Trailblazers Awards is the only independent awards program dedicated to enterprise technology startups, helping identify the most innovative companies, concepts and individuals in a range of categories. Entrants from anywhere in the world are invited to nominate themselves, with shortlists for each category chosen by the Tech Trailblazers' panel of leading IT industry experts. Winners are identified by a combination of judging panel opinions and public vote.
