Chesterbrook, Pa. – December 9, 2021 — Boomi™, the intelligent connectivity and automation leader, today announced the winners of its annual Partner Awards, unveiled during the virtual Boomi Global Partner Summit event. These awards recognize innovative partners who successfully leverage their Boomi relationship to accelerate business outcomes for customers.

"The challenge that every organization faces today is navigating the digital transformation journey. Businesses are trying to make data the center of everything they do while managing many moving parts across their modern digital landscapes," said David Tavolaro, vice president of global business development at Boomi. "That's why our channel partner program is a top priority. Our world-class network of partners brings a diverse array of skills and technologies to the table, helping customers develop holistic strategies for orchestrating and managing complex architectures. It's an honor to recognize the work our global partners have accomplished and see what amazing outcomes have resulted for customers."

Submissions were evaluated based on the judging criteria, including how partners were able to utilize the breadth of the Boomi AtomSphere™ Platform (<https://boomi.com/platform/>) to enable Integrated Experiences, creativity and innovation, scope and complexity, and environmental or social impact. Winners were selected by a team of Boomi executives.
