JSA Group announced today the acquisition of the 6CATS Group, the leading compliant international contractor management company.

Speaking on behalf of the JSA Group, John Hoskin Group CEO, said,

“We are absolutely delighted to welcome 6CATS to the JSA Group, having long admired the outstanding work Michelle and her team do in the international contracting sector, we particularly like their emphasis on customer service and commercial, genuinely compliant solutions.

“We completed the transaction on 25/01/22 with the express intention of making 6CATS the flagship for our international expansion, and the expected cornerstone of our overseas growth for the next few years.”

Michelle Reilly, CEO of 6CATS, commented,

“Over the last year or so we have been working on plans to sell the business to a partner that can help us grow, as well as maintain our position as the best international contractor management provider, for many years to come. We are delighted and very excited for 6CATS to join JSA.

“We believe this is great news for all our employees, contractors and clients; no staff losses are planned or anticipated, plus I and the other directors will continue to run the business and continue the incredible growth of the 6CATS brand across the world.

“We see this as a fantastic opportunity for all of us at 6CATS, joining a well-established group with a strong balance-sheet, talented & experienced management and dynamic people who can help us move forward in key areas, notably in IT and systems development.”
