AT THE UNION THEATRE FROM THE 20TH JUNE 2022

This heart-melting theatrical production is brought to spectacular life in an intimate theatre at the Union. It may take a courageous Journey to Find your Destiny. Theo and Alba are very different people. Or maybe not so different. They meet at a Summer Solstice festival in the year 2000, and immediately hit it off. Despite being betrothed or married to another already, Theo and Alba make a pact. A pact that will see them through nearly two decades of their lives. Every June they meet at the place where they first met, Here they share their deepest feelings, help solve each other's problems and ultimately fall deeper in love.
