We have been recognized for our ability to execute and completeness of vision

29 July, London and Beijing - Laiye, the global leader in Intelligent Automation, has been recognized in the 2022 Gartner® Magic Quadrant® for Robotic Process Automation (RPA) for the second consecutive year.

‘Gartner’s distinction solidifies our position as the intelligent choice for those customers looking for the kind of automation that can help their business get real results and achieve transformational goals’ said Guanchun Wang, Chairman and CEO of Laiye. ‘We are thrilled to see our vision and ability recognized, and look forward to delivering the results our customers need to navigate digital transformation.’

Laiye has met multiple key milestones in the past year, from announcing its expansion (<https://laiye.com/en/news/global-ai-leader-laiye-lands-in-uk-to-disrupt-the-big-three.html>) in EMEA, to a suite of new hires with top-tier experience ([https://laiye.com/en/news/laiye-snaps-up-competitor-talent-as-\\$50m-emea-push-gathers-steam.html](https://laiye.com/en/news/laiye-snaps-up-competitor-talent-as-$50m-emea-push-gathers-steam.html)), and completing its \$160M Series C funding round ([https://laiye.com/en/news/tech-firm-laiye-closes-series-c-at-\\$160-million-to-accelerate-global-rollout-of-intelligent-automation](https://laiye.com/en/news/tech-firm-laiye-closes-series-c-at-$160-million-to-accelerate-global-rollout-of-intelligent-automation)), led by HOPU Magnolia and VMS. It also published its Rise of Intelligent Automation handbook (<https://laiye.com/en/news/laiye-releases-ebook-proving-intelligent-automation-rise-as-first-generation-automation-falters.html>), providing much-needed guidance to businesses looking to get the most out of automation. In the space of six months, Laiye received endorsements in the form of partnerships with IAC (<https://laiye.com/en/news/ai-leader-laiye-and-iac-join-forces-to-make-waves-in-emea-intelligent-automation-market.html>) and Microsoft (<https://laiye.com/en/news/global-ai-leader-laiye-partners-with-microsoft-to-accelerate-data-sovereignty-for-uk-customers.html>) and opened a new R&D hub in Paris. In addition, Laiye has grown and improved its offering with the acquisition of Mindsay (<https://laiye.com/en/news/laiye-acquires-mindsay-to-lead-the-market-shift-to-intelligent-automation.html>), the European Conversational AI company. Finally, in 2022 Laiye became the first RPA/IA provider to guarantee business results (<https://laiye.com/en/news/laiye-eliminates-intelligent-automation-risks-with-first-of-its-kind-business-results-guarantee.html>), with its Business Guarantee program which commits to refunding 100% of the license price if pre-agreed business outcomes are not met.
