GBP11.99

With Organic Volcanic Wild Blueberry Hydrolate for all skin types. Wild volcanic blueberries, growing in the Taiga wild plains of Siberia, contain a huge amount of valuable antioxidants called anthocyanins.

Anthocyanins accelerate skin renewal processes, improving skin tone and elasticity, restoring a healthy complexion.

Blueberries are naturally rich in beta carotene and B vitamins, which add radiance, leaving skin hydrated and smooth.

Certified VEGAN by the Vegan Society

Cream-to-Foam Face Cleanser 75ml tube: This creamy foam gently removes dirt and makeup from the skin,

deeply moisturising, soothing and smoothing the complexion.

Super Hydrating Eye Patch-Effect Mask 30ml tube: This patch effect mask is super-hydrating for the undereye area. It restores skin tone and elasticity, refreshes, erases signs of fatigue and relieves swelling and dark circles.

Overnight Renew Face Cream-Mask 30ml tube: This mask is an overnight superhero, hard at work while you sleep! It helps smooth fine lines and even out skin tone to leave your face looking refreshed and radiant when you wake up.
