Shiine On are delighted to announce their 2024 line up.

Taking place at Butlins Minehead Arena over the weekend of 15-18 November the 2024 edition of the Shiine On Weekender sees a debut headline performance from psychedelic rockers Kula Shaker touring following the release of their superb new album 'Natural Magik'. The legendary Echo & The Bunnymen headline the Saturday night with special guests Lightning Seeds in support, whilst on Sunday Embrace return to claim their match ball for their third headline appearance.
