ZT CLOUD SERVICES LIMITED

London, UK: December 31, 2024 — ZT Mining, a global leader in cloud mining (<https://ztmining.com>), welcomes 2025 with an exciting lineup of new offerings. Featuring lucrative recharge bonuses and high-yield mining plans, including the \$100,000 Wealth Accelerator Plan and the affordable \$2,999 Deluxe Plan, ZT Mining continues to redefine how users engage with cryptocurrency mining.

The Advantages of Cloud Mining

Cloud mining eliminates many of the barriers associated with traditional mining. No need to purchase expensive hardware, manage complex setups, or bear high energy costs. ZT Mining's platform provides a seamless way to participate in cryptocurrency mining, offering flexibility and sustainability while ensuring users can access mining rewards effortlessly.

Exclusive Recharge Bonuses to Maximize Returns

ZT Mining's recharge bonus program offers unmatched incentives for crypto enthusiasts:

\$500 - \$1,000: 1% bonus

\$1,001 - \$5,000: 2% bonus

\$5,001 - \$10,000: 3% bonus

\$10,001 - \$50,000: 3.5% bonus

\$50,001 and above: 5% bonus

These bonuses reward users for their investments, creating additional earning potential and enhancing the overall mining experience.

The \$100,000 Wealth Accelerator Plan: Redefining High-Yield Mining

For serious investors, the Wealth Accelerator Plan stands out as ZT Mining's flagship offering:

Investment: \$100,000

Daily Returns: \$2,600

Cycle: 7 days

This plan is tailored for advanced users seeking rapid returns on significant investments, making it one of the most compelling options in the cloud mining market.

\$2,999 Deluxe Plan: Accessible Mining for All

For those looking to start small or diversify their mining portfolios, the Deluxe Plan offers exceptional value:

Investment: \$2,999

Daily Returns: \$100.76

Cycle: 10 days

Limit: One per user

This plan allows users to experience the benefits of cloud mining without overcommitting, making it perfect for beginners and moderate investors.
