---

Specialist Hair and Beauty training provider Kleek Apprenticeships proudly announces the opening of its new Hair Academy in Camden, London this week.

Located on the ground floor at 1a Harwood Street, the new apprenticeship centre brings Kleek Apprenticeship's award-winning, outstanding hairdressing and barbering training to the heart of the capital.

As Kleek Apprenticeships celebrates 25 years of delivering excellence in hair and beauty training, we look forward to working with salons and apprentices throughout London and surrounding areas.

With around 100 apprentices ready to begin their journey, Kleek continues to build on its legacy, having trained over 8,000 apprentices who have benefited from the exceptional training provided by our Kleek Educators and their employer salons.

The new Academy has been meticulously designed to provide an inviting and inspirational salon environment. Here, learners will gain invaluable practical experience whilst mastering all the skills, knowledge and behaviours required to become qualified hairdressers and barbers.

Tina Ockerby, Managing Director of Kleek Apprenticeships said: "Kleek Apprenticeships has created an amazing space that fulfils the needs of both new talent and businesses across Camden and Greater London as a whole. The London Academy alongside our Colchester and Maidstone Academies, reinforces our impressive country-wide growth and significantly enhances our presence across the South-East."

The Hair Academy marks Kleek's sixth location. As a specialist apprenticeship provider, Kleek operates academy centres across England in Colchester, Darlington, London, Maidstone, Newcastle upon Tyne and Stockton-on-Tees. Each year Kleek supports over 800 learners while working with more than 500 salon and spa businesses to help them achieve success by upskilling their workforce through the various hair and beauty apprenticeship training programmes on offer.
