-----

Alvarine Samuel will be taking advantage of the leap year tradition this Sunday by proposing to her boyfriend Jason Lee at the National Wedding Show taking place at Olympia, London from the 27-29 February 2004.

Alvarine, 28 and Jason, 30, both from South London have known each other for ten years and have been together since Alvarine was 20. Alvarine has two children aged nine and two.

Alvarine is currently studying Pharmaceutical Science at Kingston University and Jason is a technical services supervisor at a football club. The couple have always had plans to marry but Alvarine is planning to put the talk into action!
