FOR IMMEDIATE RELEASE:

Oxfordshire, UK – July 25, 2004 - Discovery Villas Ltd, an Oxfordshire based holiday villa advertising company is launching its newly redesigned website after undergoing a comprehensive face-lift.

The new site, which has been carefully designed to meet the needs of holiday makers and holiday home owners alike, now includes a flexible and powerful search facility, late availability getaways, travel guides, interesting articles, e-postcards, an on-line booking and reservation system and much more.

“There has never been a better time to book a holiday villa,” says Kieran Thomas, Managing Director of Discovery Villas Ltd.

“We’re now seeing some of the lowest airfares in years which is great news for holiday makers and the independent traveller. Booking a holiday rental means that holiday makers, especially families, can benefit from some fantastic savings and have the flexibility to do what they want, when they want, and how they want.”

Discovery Villas currently list holiday homes in locations round the world ranging from popular destinations such as Florida, Spain, Portugal and the Algarve, to slightly more unusual locations including Bali and Morocco.
