Naunton Dickins has been appointed the new Managing Director at Swisscom Eurospot Ltd's British subsidiary. Swisscom Eurospot Ltd, headquartered in Geneva, is a leading pan-European provider of high-speed Internet access and conference services to business travellers in the hospitality industry.

Naunton Dickins possesses profound experience in the telecommunications sector as well as solid corporate management expertise. Formerly a Captain in the Queen's Royal Hussars, Naunton has held board-level positions at Blue-Stream Communications and Business Connections Ltd. In his role as Managing Director, Naunton Dickins will be a member of the Management Board of Swisscom Eurospot Ltd. and is charged with spearheading Swisscom Eurospot's high-speed Internet access and conference services into the United Kingdom and Ireland's hospitality market.

About Swisscom Eurospot

Swisscom Eurospot is a leading provider of High-Speed Internet Access and conference services to business travellers on the move in Europe. Its pan-European network spans more than 2,600 locations. The company has close working relationships with several roaming partners: Swisscom Mobile, Telia Homerun and Sonera. The business activities of Swisscom Eurospot are based on values which are typical of a company which has its roots in Switzerland: neutrality and partnership, quality and a sound financial footing. Access can be purchased at the locations or at the Swisscom Eurospot online shop on the web site. Further information about the location of the 1,400 + 'live' sites can be found at www.swisscom-eurospot.com.

Headquartered in Geneva, Swisscom Eurospot is a subsidiary of the Swisscom Group and has offices in Germany, the UK, the Netherlands, France, Spain, Italy and Portugal. Swisscom posted annual sales of 10 billion Swiss francs in 2003 and has around 16,000 employees.
