24 - 26 FEBRUARY 1999 - SOLLENTUNA EXHIBITION CENTRE

Xplor International would like to invite you to its Annual Nordic Conference & Exhibit at the Sollentuna Exhibition Centre in Sollentuna. With the theme On Demand, the conference considers the technological applications and developments within the electronic document systems industry.

The three-day event features conference sessions, expert speakers and vendor tutorials plus exhibitors including Adobe, Canon Svenska AB, Danka AB, Océ Svenska, Tektronix AB and Xerox AB.

Attendees can attend a broad range of conference sessions including:

- Using Documents to Manage Knowledge
- Directions in Digital Printing
- Print on Demand
- XML - The Final Solution

Xplor International is the world-wide association representing more than 2,900 organisations that develop and use the technology of the \$124 billion document systems industry.
