

Beautiful Garden Furniture Lifestyle Shots - Nova Launches Free Photo Library And Sampling Service

Submitted by: Smees Communications

Friday, 28 April 2006

British company, Nova, designs and produces beautiful, high quality garden furniture to suit all tastes - from the traditional country garden look to contemporary styles and paired down urban chic.

In preparation for summer, Nova is launching its complimentary MEDIA PHOTO LIBRARY AND SAMPLING SERVICE. Stylish hi-resolution lifestyle images will be supplied free of charge for use in editorial features, in return for publication of the following credit:

“(name of range) from Nova. Nova Garden Furniture is available through most leading garden centres and department stores. Visit www.novagardenfurniture.co.uk to find your nearest stockist.”

Nova can also supply garden furniture for your lifestyle photo-shoots in return for the same editorial credit.

Check out the Nova website – www.novagardenfurniture.co.uk – to see the types of pictures and products available. To request a full brochure of photography please contact Jane Park, Katie Traynier or Alex Hall at Smees Communications on 020 7486 6644.

Nova garden furniture comes with a stunning collection of bespoke cushions, parasols, gazebos and other accessories.

CHOOSE YOUR GARDEN'S LOOK

FORGE AND JUNO TEA FOR TWO ranges

For timeless elegance, check out Nova's extensive range of CAST ALUMINIUM designs. The brand leaders of cast aluminium furniture, Nova designs are developed by master craftsmen and combine superb attention to detail with Nova's exclusive aluminium alloy for extra strength. From the glamorous to the traditional country look, they're maintenance free, rust free and come with a 10 year structural guarantee. Ahead of the game, Nova's in-house designers have also created the first and only folding armchair and recliner in cast aluminium.

ROMA, RIMINI, ALICANTE ranges

Nova's TUBULAR ALUMINIUM range offers a very contemporary look that cleverly combines the qualities of aluminium with contrasting materials. Resin weave for the fresh look of wicker, textylene to keep you cool on hot summer days, teak for natural beauty and aluminium mesh for a contemporary urban feel.

SOLENT AND ASCOT ranges

HARDWOOD has a warmth and individuality all of its own and is a great choice for versatile, practical garden furniture. Nova's traditional workmanship and ergonomic design results in stylish, comfortable

furniture that is built to last. The new Ascot range reflects Nova's policy of using FSC certified hardwood wherever possible.
