Fancy an extra £2000 to swell the Christmas coffers? Imagine all the extra presents you could buy for friends and family if you strike it rich with the Mecca Games online slots (<http://www.meccagames.com/meccagames/interface/html/slots.shtml>) Christmas bonanza.

Mecca Games is bringing the festive cheer to all their online players throughout December. Simply play one of the featured **slot games** leading up to Christmas and you could win a share of two grand!

From the 1st December, Mecca Game players taking on Dead Man's Chest (9 line) have a chance to win a slice of this festive bounty. On the 8th December, High Roller 5 takes over as the featured game. On 15th December it's the turn of Plum Royale, whilst the ever-popular Mecca Slots takes the reins on 22nd December.

With some of the hottest gifts already flying off the shelves, retailers are predicting that shoppers will spend more money than ever before this Christmas. Get in on the act before it's too late and you could be walking away with some serious cash to make your family's Christmas wish a reality.

Featuring all your favourite online fruit machines, slots and casino games (<http://www.meccagames.com/meccagames/interface/html/casino.shtml>), Mecca Games is the perfect place to get your Christmas off to a flyer. With £2000 up for grabs every week throughout December, online players are in for a great festive season.

To keep the suspense and a bit of festive mystery, winners will only be announced the week after, so regular Mecca Games players are rewarded for playing right through to Christmas.
