Travelmarket's interactive division enters the UK market.

2008, February 29th - The Scandinavian based travel search engine www.travelmarket.com is now officially launched in the UK, and the company has a special offer for the travel trade.

Purchase marketing on the travel search engine – and receive free web production.

It is the Travelmarket (<http://www.travelmarket.com/>) web division Travelmarket interactive (<http://www.travelmarket-interactive.co.uk>) that has developed a CMS (<http://www.travelmarket-interactive.co.uk/cms.cfm?nPageNo=5520&nSupplierID=449&menuid=1&nMenuID=2658>) and dynamic online travel booking platform (<http://www.travelmarket-interactive.co.uk/cms.cfm?nPageNo=7227&nSupplierID=449&menuid=1&nMenuID=2658>).

The dynamic booking engine (<http://www.travelmarket-interactive.co.uk/cms.cfm?nPageNo=7227&nSupplierID=449&menuid=1&nMenuID=2658>) is connected to Amadeus, Galileo, Sabre and Worldspan (<http://www.travelmarket-interactive.co.uk/cms.cfm?nPageNo=7227&nSupplierID=449&menuid=1&nMenuID=2658>), and also to hotel booking systems such as GTA, Tourico, Transhotel, Jumbo Tours, Hotelbeds.com (<http://www.travelmarket-interactive.co.uk/cms.cfm?nPageNo=7227&nSupplierID=449&menuid=1&nMenuID=2658>) etc.

The dynamic booking engine is for both IATA and NON-IATA, and it makes multiple searching in several reservation systems at the same time.

“We want to offer the travel agencies and tour-operators as many benefits as possible, and we have more than 150 website customers in Scandinavia. Now we will offer our web and booking solutions to companies in the UK travel trade” – says CEO Ole Stouby from Travelmarket.
