Anusha boutique (www.anusha.co.uk) has long been a favourite destination for fashion-savvy women in the know, and now's the perfect time to discover their stylish secret.

Anusha is totally tuned into the pleasures of shopping online, bringing together an exquisite collection of beautiful, handpicked pieces made by talented designers.

And Anusha's Christmas collection is its most tempting to date, with everything photographed beautifully (no shots of clothes on headless, plastic mannequins here!), gift-wrapped and delivered direct to your door. Whether you're looking for the ultimate party outfit, warm winter wrap-ups, must-have accessories or original Christmas gifts that you won't find on the high street, you'll find this season's most desirable selection at Anusha.

Still planning to brave the high-street Christmas frenzy? We thought not...
