32-year old Caroline Marsh (<http://www.carolinemarsh.com/>), the 'Secret Millionaire' (http://www.channel4.com/culture/microsites/S/secret_millionaire/millionaires/caroline-programme.html) on last night's C4 prime time show, has returned from filming in Liverpool determined to make a difference in her hometown of Swindon.

Caroline was moved by the commitment, dedication and spirit of the people behind two separate community projects in Toxteth, and gave them both not only money, but the pledge of ongoing business support and mentoring, to help fast-track their plans for making a real difference to everyone in the area.

Now back home in Swindon, Caroline is working with her local Citifaith (<http://www.citifaiht.co.uk/>) church to help with GWR kids projects and is making plans to support young single mothers in the area, motivating, inspiring and supporting them so they can fulfil their potential and create the best life they can for themselves and their children.

"To have been a part of a community that has so much goodness, strength and spirit within it, has been so rewarding. The experience opened my eyes to the need that is on my own doorstep and highlighted to me the difference I know I can make."

Caroline is speaking at the Platinum Partners Group (<http://www.platinumpartnersgroup.co.uk/>) Wealth Workshop this Saturday at the Cumberland Hotel, Marble Arch, in London.
