Relaunched website offers free delivery on everything

Onshoes.com the online shoe retailer has shunned delivery charges with its newly relaunched website.

The website offers customers a unique service by offering free delivery on every single item on the site, regardless of cost.

Onshoes.com also offers 365 day returns if shoes (<http://www.onshoes.com>) are returned in an unworn condition. The site incorporates revolutionary features including a 360° product viewer and an online chat area to allow customers to speak directly to a customer service operator via the internet.

Luke Barlow, Founder of Onshoes.com said: "We made a decision not to charge our customers an extra cost for delivery. We want people to be able to use our website safe in the knowledge that they won't be hit with extra costs and charges when they come to pay for their purchases. With new brands coming on board every week, such as Skechers shoes (<http://www.onshoes.com/c-725-skechers.aspx>), customers can buy in confidence"

Onshoes.com offers a range of Men's shoes (<http://www.onshoes.com/c-347-mens.aspx>) and Women's shoes (<http://www.onshoes.com/c-348-womens.aspx>) to cater for every interest. From running to climbing, from parkour to fashion, Onshoes.com has something for everyone, stocking top quality brands including Emu Boots (<http://www.onshoes.com/c-706-emu-australia.aspx>), Birkenstock, Skechers, Merrell, DC, Quicksilver and Hunter Wellingtons (<http://www.onshoes.com/c-707-hunter.aspx>). The secure site enables you to browse by activity or brand and stocks over 1250 styles from over 35 top brands.
