Shloer, The Sparkling Juice Drink is launching its fantastic apple flavour to add to its existing collection.

Created from a sparkling blend of crisp apple and white grape juice, Shloer has used only the best natural ingredients to create a delicious and sparkling drink for ultimate refreshment. Perfect for any occasion or just to add a bit of sparkle to your me -time; Shloer Apple is the ideal alternative to alcohol.

Staying in is the new going out this autumn so why not enjoy a night with the girls? With a wet winter stretching ahead, curl up in the warm with a good film, or simply enjoy some tasty food and a good gossip. Shloer Apple is as delicious served with popcorn as it is with a gourmet meal, the choice is yours!

The Shloer range includes five other delicious flavours including classic Red and White Grape. All of the delicious Shloer flavours are free from artificial colours, flavours, preservatives or sweeteners to create a refreshing sparkling juice drink that's perfect for any social occasion.
