Oh Ho Ho, Santa's coming!

Erotic Christmas Cards (<http://www.wickedtickles.co.uk/onlineshop/Oh-Ho-Ho-Santas-coming-c-283.html>) from Wickedtickles.co.uk will grab your fancy and, if you're lucky, it won't be only Santa who's coming this Christmas!

Wickedtickles (<http://www.wickedtickles.co.uk>) are proud to be working with self taught Artist and Cartoonist, Georgie Tier, offering a range of limited edition erotic cards. The designs have one simple aim - and that is to provide the onlooker with a smile!

Georgie describes her figurative work as humorously erotic, comprising of strong lines and colourful shapes. She works mainly in acrylic on canvas, but also enjoys creating black and white designs. Georgie has developed a distinctive style and created a world of voluptuous women who live life to the full. Her work has been described as 'Beryl Cook meets Picasso'. Indeed her style of art caught the eye of London's 'Erotica' who made her their Featured Artist in Nov 2005.

Cards are available as single purchase for only £2.95 or a pack of 4 or 6 of the same design or variety.

Wickedtickles.co.uk, a sophisticated online boudoir, offers an environment filled with a gorgeous selection of hand picked erotic and sensual items including an exquisite range of tantalising new and naughty treats (<http://www.wickedtickles.co.uk/onlineshop/New-and-Naughty-c-38.html>) and designer sexy lingerie.
