Lady Chatterley and Mellors beat Carrie and Mr Big to the title of Hottest Lovers In Literature!

The book may have been written 80 years ago, but Lady Chatterley and Mellors are still considered the hottest lovers in literature. 45% rated the classic couple as having the sexiest relationship in a survey by LoveHoney.co.uk's Erotic Book Club (<http://www.lovehoney.co.uk/erotic-book-club/>), compared to just 12% for contemporary rivals Carrie and Mr Big.

D.H. Lawrence's outrageous couple also triumphed over 'Romeo and Juliet' (12%), chick lit favourites 'Bridget Jones' and Mark Darcy (10%) and Elizabeth and Darcy from 'Pride and Prejudice' – a clear vote for raunch over romance!

The LoveHoney Erotic Book Club survey also revealed that sex is the key motivation for reading erotic books – in more ways than one! 31% admitted flicking through to the sex scenes to turn themselves on, 19% use them as a safe way to explore their fantasies, 16% find them a great warm up to lovemaking, and a further 15% study them for sex tips and tricks to spark up their bedroom antics.

"The LoveHoney Erotic Book Club may be more Richard and Rude-y than Richard and Judy, but our hot book choices are bound to satisfy your deepest desires – literary and otherwise!
