As the days draw in and the nights get colder, create a haven in your home with creative yet cost effective ideas from the Jacuzzi bathroom collection.

Time to Relax - Aura Suite

Decking for the bathroom allows you to recess your bath so you can bathe in luxury like Cleopatra. Add passionately opulent sun colours like orange and red to bring a warm sensual glow to your luxury retreat.

Sharply geometric, stunningly distinctive, the Aura concept teams a choice of four deeply luxurious whirlpool baths and one non-whirlpool bath, with a fabulous selection of basin options and the brand new WC pan and bidet options. Aura's classic form comes with no fewer than four different basin options. Treat yourself to one of the four whirlpool bath options for the ultimate, indulgent Aura look.

Suite (basin, wc & toilet seat) £710

Aura Uno whirlpool bath £5,350 (teak or wenge)

Beautiful Bathing - Nexus Suite With Define Bath

Opt for a freestanding bath with soft, comfortably luxurious headrests like the Define bath, for total relaxation. For a space that will leave you feeling warm inside and out, add hidden lighting to create shadows, intrigue and sumptuous coziness.

This innovative suite steps away from the traditional. The unique shape of the Nexus core pieces form a connection with one another that is most evident when viewed from above. Each of the basins and bidet include four waste covers in a choice of red, black, white or chrome so all you need do is change your accessories along with your waste cover to give a completely new look to your bathroom.

Suite (basin, wc & toilet seat) £1,150

Define non whirlpool bath £1,700

Optional extra - freestanding single lever bath/shower mixer) £1,000

Bright Spark - Versa Whirlpool Bath

Choose a whirlpool bath for a complete hydromassage experience and make it a feature by placing your bath on a plinth. The addition of colour, bright lights and textured wallpaper will turn your space into a funky yet cosy escape.

The Versa bath is one of the latest additions to the Jacuzzi® Whirlpool bath collection. Contemporary styling, contrasting headrests for complete relaxation and powerful Jacuzzi massage jets. A great look for a great experience.
