As the winter months fast approach, the summer (what summer?!) seems like a distant memory. Cross the Atlantic to Florida and the average sunshine hours hit seven a day - Florida isn't called the Sunshine State for nothing!

Virgin Holidays (<http://www.virginholidays.co.uk/>) has something for everyone in Florida, from Disney trips in Orlando, to racing in Daytona and lazing on a beach in the Florida Keys – Virgin Holidays has Florida covered. For frequent 'Virgins' there is an exclusive Frequent Virgin Club which includes member benefits such as room upgrades, special discounts and free transfers.

Virgin Holidays, the leading UK tour operator to Orlando (<http://www.virginholidays.co.uk/brochures/florida/holidays/orlando/>), covers every base in Orlando selling popular theme park tickets including Walt Disney World ([http://www.virginholidays.co.uk/brochures/florida/holidays/orlando/walt\\_disney\\_world\\_resort/](http://www.virginholidays.co.uk/brochures/florida/holidays/orlando/walt_disney_world_resort/)), Universal Studios and Seaworld to name a few. Grab a seat on some of the newest rides to hit the area – Simpsons, Soarin' and The Mummy.

With the addition of an extra Orlando flight from Spring 2009 there are even more opportunities to hop on a direct flight to Orlando next year, even more reasons to take the kids on a Florida adventure when school's out. Check out Virgin Holidays' special offers at [www.virginholidays.co.uk/specialoffers](http://www.virginholidays.co.uk/specialoffers) (<http://www.virginholidays.co.uk/specialoffers>)

Customers booking packages to Orlando will also be able to add the experience of the Virgin Holidays V ROOM, the UK's first ever leisure lounge exclusively for Virgin Holidays' customers, making sure their Florida holidays starts in style.

V ROOM ([http://www.virginholidays.co.uk/extras/airport\\_lounges/info/lounges\\_clubhouse/vroom.aspx](http://www.virginholidays.co.uk/extras/airport_lounges/info/lounges_clubhouse/vroom.aspx)) has been created to add more "extras" to the holiday experience precisely when it's needed: at the start of the break when it's time to switch off. V ROOM, located in a premium Gatwick location covering 7340 square feet with dual-aspect runway views and floor to ceiling windows, features three distinct areas: kids, adults-only and family. These areas cater to the specific needs of each, delivering services with the flair and humour for which Virgin Holidays' customer service is known.

Virgin Holidays offers a great variety of family Florida holidays (<http://www.virginholidays.co.uk/brochures/florida/>). Samples include:
