Windsor, 22nd January 2008 – Haulfryn Group, the residential and holiday park specialist, continues investing in its holiday properties with the completion of the refurbishment of Woodlands Hall Hotel and Restaurant - the centrepiece of the Haulfryn Woodlands Hall Holiday Park in Ruthin, Denbighshire, North Wales.

Built in the 1870s, Woodlands Hall was added to the Haulfryn Group portfolio in late 2007. Since then, Haulfryn has continued the refurbishment that was started by the previous owner, and has now finished all 7 bedrooms. It retains the traditional feel of a 19th Century house with wooden wall panelling and fireplaces. Guests can relax over dinner in the conservatory, be more formal in the dining room or enjoy snacks in the friendly bar. There is a snooker room with a full size table, a fitness suite and sauna for exercise and relaxation and an outdoor tennis court. There is also a separate function suite that can accommodate up to 60 people for business conferences or family events.

Rod Tucker, CEO, The Haulfryn Group, said: "Woodlands Hall is the latest of our locations to get a Haulfryn make-over. The hotel is set in a fabulous location, nestled amongst the wooded hills of the Vale of Clwyd and secluded within a mass of landscaped rhododendron bushes. The mountains of Snowdonia and the fabulous beaches of North Wales are within easy reach and the beautiful historic city of Chester is only 20 minutes away."

To celebrate the completion, Haulfryn is currently offering Winter Warmer breaks with all rooms at just £39.95 per night. Just call 01824 705107 for details and bookings or visit [www.woodlandshallhotel.com](http://www.woodlandshallhotel.com).

This Haulfryn location also has a range of exclusive holiday homes for sale, ranging from 28ft to over 40ft in length and 10ft, 12ft, 14ft or 20ft wide. Depending on the model, a comprehensive range of equipment can be included: wide screen TV; microwave oven; washing machine/dryer; dishwasher; fridge/freezer; furniture; soft furnishings. With prices starting from £39,000, how can you resist taking a look?
