Give your mum a gift she'll really cherish this Mother's Day – younger looking skin that naturally glows! Aromatherapy Direct's Organic Aromarejuv range (£24) is formulated from premium, ethically sourced Essential oils to target specific signs of ageing. Comprised of an anti-ageing cleanser, toner and moisturiser, the 3-Step Aromarejuv range will "Revive, Renew and Rejuvenate" mature skin.

Aromarejuv directly addresses the lacklustre or dry complexion that characterizes older skin. Formulated from unique blends of organic ingredients, the range focuses on naturally rebalancing and conditioning the skin for a radiant, smoother complexion.

Firstly, the purifying Cleanser removes all traces of make up and impurities whilst Lavender and Aloe Vera extracts calm and soothe the skin. As an added benefit, mood-boosting Geranium revives a dull complexion; skin is left soothed, balanced and glowing.

Next, spray on the Toner to lock moisture in and instantly rejuvenate dry, tired skin. Containing 100% English Rose Water for exceptional natural hydration and nourishment, skin is naturally calmed - making it ideal for mature, sensitive skin.

Finally, the real treasure of the trio is Organic Aromarejuv Moisturiser. Bursting with 85% natural skin-loving ingredients, this luxurious cream provides exceptional hydration - skin won't believe its luck! Rich in antioxidants and natural anti-ageing ingredients, sun damaged or lack luster skin is revitalized. A perfect blend of Essential Oils and antioxidants allow maximum anti-ageing benefits. Sweet Almond Oil reaches the deep levels of the skin whilst luxurious Jasmine, "the King of Essential oils", is exceptionally restorative and soothing – a real treat for skin! Healing Chamomile Roman, Geranium Bourbon and Lavender as well as refreshing Lemon leave skin looking vibrant as its natural balance is restored. Apply each morning and evening for complete hydration.

Introduce your mum to the healing power of natural botanics and allow her to look her best this Mother's Day.
