Forget the bouquet for Mothers' Day or Easter. That's the advice from Britain's premier bulb company, P de Jager & Sons (<http://www.dejager.co.uk>), which has put together gifts that go on giving – a special Mothers' Day/Easter range of great value flowering bulb gift packs.

"Because bulbs flower year in year out, these gift packs (<http://www.dejager.co.uk/product/?pid=20907>) mean that you will be remembered every year they bloom," says de Jager's owner, George Clowes.

"Bright colours are the fashion tip for 2009 and so here at P de Jager & Sons (<http://www.dejager.co.uk>) we are bringing in new and exciting colourful bulbs to our spring and summer ranges."

Prices start at just £5 plus P&P for Easter egg size box of bulbs (<http://www.dejager.co.uk/product/?pid=20910>). Other great value packs are:

- Mothers' Day (<http://www.dejager.co.uk/product/?pid=20836>) – the gift that goes on giving. A surprise parcel containing top size bulbs in various varieties and many colours. Each variety separately packed and labelled. At a special price of £15 (inc. VAT) plus P&P.
- Especially for Easter (<http://www.dejager.co.uk/product/?pid=20837>) – a gift that gives lasting pleasure for many months. A special Easter parcel containing top size bulbs in various varieties and many colours. Each variety separately packed and labelled at a special price of £15 (inc. VAT) plus P&P.

To order visit www.dejager.co.uk and just click on the special offers icons on the home page.

P. de Jager & Sons Limited has been selling top quality and top size bulbs for over 140 years. de Jager cannot over-emphasise the importance of size.

"Top size bulbs really do make a huge difference both in terms of flowering and naturalisation. Smaller size bulbs will be less expensive but the results will be very noticeably inferior," adds George.
