---

The Satellite Shop are the first agent in the UK to offer the new HDMI media switch.

What does it do?

The Media switch allows you to connect multiple media sources to a single HDMI socket on any LCD or Plasma TV or Monitor.

The unit upscales all signals on all inputs including analogue to 1080P. Converts analogue to digital HDMI. Interfaces and switches up to 6 sources, including 2x HDMI, 2x analogue (AV, S-video, or YUV) and 2x VGA inputs. The unit optimises the signal for any full HD 1080p screen.

Ideal for connecting:

- Games consoles
- Set top boxes
- DVD Players
- Bluray Players
- PC and Laptops
- Camcorders

1 - The Satellite Shop are an Independent retailer based in Tunbridge Wells, Kent since 1990.

2 - The Maxtrack HDMI switch has recently been launched in Germany. The Satellite Shop have been appointed by the manufacturer to launch the product in the UK.

The Satellite Shop, 56a London Rd, Southborough, Tunbridge Wells, Kent TN4 0PT.
