Sunday 22nd March is Mother's Day, the one day of the year where mums have a legitimate reason to take a day off from cooking, cleaning, tidying, and relax with a well-deserved break. And what better way to thank your mum for being so great all-year-round than to whisk her away on a First Choice family holiday (<http://www.firstchoice.co.uk/sun-holidays/family-holidays>)

Mums in need of some indulgent 'me' time can combine a holiday with the family with the opportunity to get a much-needed break in a fabulous destination that has spa facilities for pampering beauty treatments and Kid's clubs to keep the little ones amused.

Here's First Choice's pick of the best resorts with a something for everyone this Mother's Day.

Tenerife:

Just a four-hour flight away, Tenerife (<http://www.firstchoice.co.uk/holidays/tenerife-holidays>) is a holiday haven for those seeking some refuge from this cold winter blast. And the 4 Sun Plus Costa Los Gigantes Suites and Spa Resort, which opened last summer, is an ideal retreat for families to enjoy Mother's Day together. With spacious living areas, you won't be under each other's feet, but with so much to do – there won't be much time spent in the room. There's a spa for mum and dad to chill in, while children can be kept entertained at the hotel's kids' club, or the cinema, or even at the mini disco that's on offer. Or there are always the two pools to splash about in.

First Choice offers seven night family holidays
