Has your pup got attitude? UrbanPup.com has a great selection of statement harness t-shirts. Choose from statements like 'Home Security System,' 'Obedience School Drop Out' or 'Yorkshire Terror.' Whatever you want to say about your pup, [<http://www.UrbanPup.com>] has the words.

It's an added bonus that these dog t-shirts have fully adjustable built-in harness that give the t-shirt added security as it fits snugly to your pup. Also, the D-ring makes it easy to clip your lead on and off your pup.
