BrightHouse, the national retail chain, announce the results for the 13 weeks to 28th December 2008. BrightHouse report that revenue was up. BrightHouse has seen a robust performance across all categories, which were up 35% year-on year. BrightHouse has opened 21 new stores since 1st April 2008.

Commenting on the result of trading in this period, Brighthouse CEO, Leo McKee, said:

“We are delighted to report a strong Christmas trading period, with like-for-like revenue up 13.5%. In this challenging trading environment Brighthouse have been focused on continuing to get the basics right, in particular, providing high quality service to our customers.”
