CALLING ALL FAMILIES!

Tell us why you have the UK's best mum and win a free Mother's Day (<http://www.brewersfayre.co.uk/restaurants/>) meal for two

Brewers Fayre (<http://www.brewersfayre.co.uk/restaurants/>) restaurants across the UK are inviting you to tell them why your mum is the best mum in the world and are offering the perfect way to thank her with a complimentary meal for two* this Mother's Day (<http://www.brewersfayre.co.uk/restaurants/>), Sunday 22 March.

The local family favourite restaurant is asking you to put pen to paper and explain what sets your mum apart. Maybe she offers constant support to you and your family whilst juggling a busy job, maybe she volunteers for a local cause or helps someone in need without question or complaint? Perhaps she's not your mum by birth but has assumed that role to help and guide you. Whatever your reason she deserves to be celebrated!

A spokesperson for Brewers Fayre said: "We know there are many incredible mums out there and we want to recognise and celebrate them on this special day. Every mum deserves to put their feet up and let someone else do the cooking on Mother's Day. We want to help families all over the region say thank you."

Entry forms can be found at all Brewers Fayre restaurants and the closing date is Friday 13th March. The winning entries will be announced in store on Saturday 14th March and all winners not present will be notified by phone.

If you aren't lucky enough to win, you can still treat your mum to a special Mother's Day lunch or dinner, as Brewers Fayre will be running a three course Sunday Roast set menu for just £11 or two courses for £9, with plenty of delicious dishes to choose from.

Brewers Fayre will be also be launching a new Spring and Summer Menu on 31st March with even more great pub food to choose from.

The new breaded Camembert bites are deliciously creamy and served with fruity chutney they make the perfect starter or sharing plate. Or for a truly seasonal dish, try the mouth-watering Minted Lamb loin, served with a red wine and rosemary sauce and mashed potatoes.

Pub food lovers will not be disappointed with the return of classic favourites including traditional Cottage pie, succulent slow cooked ham hock in parsley sauce, or the hearty liver and onions served in a giant Yorkshire pudding.
