What could be a more perfect thought than spending some quality time shopping for all your summer essentials, whilst staying at a luxury spa and enjoying all that that entails! Well, this is your chance.... Ragdale Hall, the award winning Leicestershire health spa are putting on a Prepare for Summer Shopping Extravaganza from Monday 20th to Sunday 26th April 2009. is: [Click here to view programme of events and offers.](#) ([http://www.ragdalehall.co.uk/documents/Shopping extravaganza april 09.doc](http://www.ragdalehall.co.uk/documents/Shopping%20extravaganza%20april%2009.doc))

Ragdale Hall boasts three shops, a hair studio plus probably the widest range of spa therapies and treatments and the most extensive and most innovative spa facilities anywhere.

Shopaholics will love the Beauty Shop which offers top of the range skincare and makeup brands such as Clarins, Elemis, Decleor, Leighton Denny and Dior along with help, advice and generous promotional offers.

For the fashion conscious, the Ragdale Boutique offers this season's key trends in fashion, accessories, footwear, jewellery and lingerie.... a feast to be enjoyed at a leisurely pace, rarely found in the hustle and bustle of the High Street.

Lastly the Gift Shop... an Aladdin's Cave of homeware, candles and gifts.

You may book during this week as a day guest (choice of packages from £67) or stay overnight on one of the packages which include your accommodation, all meals, use of the facilities and a number of inclusive treatments. is: [Click here for Prices and Packages.](#) (<http://www.ragdalehall.co.uk/prices.cfm>)

In short, you can 'prepare for summer' all under one roof whilst enjoying some blissful me-time too.
