- EASY SOFTWARE UK joins the exclusive Microsoft Gold Certified Partner Club-

Bury St Edmunds, UK – April 1st, 2009 – EASY SOFTWARE UK, Europe's foremost supplier of integrated document management, workflow and archive solutions, has today announced that it has been awarded its Microsoft Gold Certified partner status.

Gold Certified Partners are the top level of Microsoft solutions partners and gain early access to advanced resources to increase the company's Microsoft expertise. Gold Certified Partners are regarded as the most skilled partners in their specific solutions areas.

EASY's ISV software solutions competency is for EASY's xBASE™, a scaleable email storage, management & archive solution and EASY for Microsoft Dynamics NAV™, an integrated solution that compliantly manages all relevant documentation coming in and out of Dynamics NAV. Both solutions are Microsoft certified products and strategic products in EASY's 2009 promotional campaigns.

"We are delighted that our commitment to Microsoft has been recognised with Gold partner status," commented Tony Cheung, EASY SOFTWARE UK's Director of Operations. "Our partners and customers have the added confidence that we are committed to a future of close Microsoft development and integration and this gives a very clear signal to the market that we uniquely offer the depth of knowledge and expertise needed to securely integrate their applications into the Microsoft application suite."

Nigel Turner, International Business Development Manager at Microsoft UK, said: "Congratulations to everyone at EASY SOFTWARE UK on this achievement. Partners are at the heart of everything we do here at Microsoft. EASY has been working on its international expansion via Microsoft's international ISV assistance programme, Open Borders, which is designed to provide business advice and services to our partners that are growing their businesses around the world. To see a document management vendor thriving and growing like this, offering a range of integrated Microsoft solutions for partners and customers alike, demonstrates just what can be achieved with our Open Borders programme."
