In a bid to keep bargain-hungry Brits up to date with the latest and very best online discount codes and printable vouchers, the UK's leading and most successful discount voucher site, www.MyVoucherCodes.co.uk, issues a fortnightly update on the best deals available online. This update highlights the best printable coupons, whilst the top online discounts are also listed.

It's the Easter holidays and many retailers are stepping out to shout about their great deals on kids' shoes, including Barratts and Kickers below.

The return to nice weather always encourages people to change their wardrobe, hence the number of fashion discount codes released below. It has also prompted florists and gift sites to release discounts, perhaps in a bid to catch people thinking ahead to weddings.

As usual, the bar and restaurant vouchers feature heavily as Brits aim to enjoy themselves throughout the recession.

Printable vouchers can be redeemed upon production in a shop, store or restaurant, and often entitle the user to great deals and discounts from some of the UK's biggest household names. They are free to use, and the top printable vouchers are detailed below, along with the hottest online voucher codes.

www.MyVoucherCodes.co.uk, the UK's leading discount voucher website, which attracted 8.5 million unique visits in December of last year alone, collates all the best up-to-date discounts across the internet into one easy-to-use place. Throughout the recession, millions more people have been accessing the site in a bid to save on purchases, helping it become the 4th fastest growing website in the UK according to Nielson Online.

This list is updated fortnightly. Journalists wishing to regularly receive updates should contact rich@10yetis.co.uk
