To celebrate the start of a second successful year in business, www.findatvexpert.com is giving experts who want to be considered for TV&Media opportunities the chance to win a year's free membership worth £100.

"Britain's Got Experts and I want to help promote them to TV researchers, development producers and commissioners who are hungry for ideas, inspiration and the next 'big thing'," says Claire Richmond, ex TV producer and founder of findaTVexpert.com.

Everyone with the skills, training and qualifications to prove they're an expert in their field of business can enter the competition, from architects to zoologists and all the experts in between - handyman & historians; wildlife, survival & adventure experts; sportsmen, business men & tradesmen; dentists & designers; scientists, sociologists, etc – because you never know what the industry will be looking for next.

So if you think you could be the next Hairy Biker, Kim or Aggie, Handy Andy, Jamie Oliver, David Attenborough, Jo Frost, Tanya Bryon, Lawrence Llewellyn Bowen, etc, here's what you have to do for your chance to win a year's free membership on www.findaTVexpert.com.
