28 April – 2 May 2009

We have limited places available on a four night 'Learn to...with LykiaWorld' press trip to experience the wide range of leisure facilities and exclusive services in two of Turkey (<http://www.lykiaworld.com/Cultures/en-Us/OurTours.aspx>)'s most desirable properties.

This trip will allow you to experience the good, the great and the unusual resort activities available at LykiaWorld (<http://www.lykiagroup.com>) & LinksGolf Antalya (<http://www.lykiaworldantalya.com/Cultures/en-US/LykiaLinksGolf.aspx>) and LykiaWorld Ölüdeniz surrounded by the beauty of Turkey's southern Aegean coast.

Departing Gatwick, the first two nights will be spent at the five star LykiaWorld & LinksGolf Antalya (opened 2008) where you will enjoy the wide range of activities on offer including an introductory golf lesson at the resort's 18-hole championship course - Turkey's first and only true Links course; Belly dance lessons, nordic walking on the beach, horse riding through the resort's extensive forest and a pilates/yoga class to unwind.

We will then transfer to the stunning region of Fethiye to stay at the popular LykiaWorld Ölüdeniz for the following two nights. Here we will explore the clear blue lagoons with diving lessons, learn the skills of archery, horse ride through the dense pine forests or try your hand at tennis on the resorts ACE accredited Tennis Academy.

For those looking for a cultural Turkish experience, we will also have the opportunity to explore the ancient cities that surround Antalya such as Side and marvel at the ancient Aspendos Amphitheatre.

Included in the trip are return flights, all-inclusive accommodation and all transfers in Turkey. For further information on the resort visit www.lykiagroup.com
