### FUN, AFFORDABLE FAMILY BREAKS IN SPAIN

Finding affordable, fun breaks for the whole family to enjoy can be difficult – but at Camino Holidays (<http://www.caminoholidays.co.uk>) we can put to together the best shared memories you'll ever have!

#### Family Action and Adventure Holiday

Based around the mountain village of Vejer de la Frontera, this type of holiday is suitable for all families - including single parent families. Staying in a friendly, family run hotel (with or without a pool, whichever you prefer), an apartment in the village or a villa outside Vejer you'll enjoy the Costa de la Luz (the coast of light) and its countryside, huge sandy beaches and pine forests.

This type of holiday offers you and your children the chance to try out fun and adventurous activities such as surfing lessons, kite surfing lessons, biking, archery, riding lessons and horse trekking, quad biking and climbing. You can enjoy these together as a family or we can arrange activities for the children, while the adults enjoy other activities or just relax.

In addition you can enjoy a range of fantastic excursions to the nature reserve of Coto Doñana, whale watching in Tarifa and the fabulous city of Sevilla.

#### Spanish Culture Family Holiday

Based in the authentically Spanish town of Jerez de la Frontera, this type of holiday is suitable for all families - including single parent families. Staying in a small, boutique hotel in the heart of old Jerez, or an apartment in town you'll enjoy Jerez, famous for Flamenco, Sherry and Horses. The birthplace of Flamenco, all the sherry in the world is grown and bottled here and the white dancing horses of the 17th century Royal Spanish Horse School perform here.

This type of holiday offers you and your children the chance to try the traditional activities of the real Spain, enjoying a glimpse into this rich and wonderful culture. We offer Spanish Language classes, Spanish cookery classes, classes in the traditional local crafts of Spanish fan making, blacksmithing and silver beating, and Flamenco dance / Flamenco guitar classes. Families can do these together, or we can organise a range of different classes for the children and the adults.

In addition you can enjoy a range of fantastic excursions to the beaches of the Costa de la Luz and to the palaces and gardens of Cadiz and Sevilla.

Camino Holidays is a bespoke holiday company creating a holiday for your ideal dates and budget which includes as much or as little activity as you like in this wonderful, undiscovered part of Andalucia.

Camino Holidays don't include your flights, we can advise you on the best prices, airports and airlines, organise transport to the airport and your airport transfers in Spain. In fact there's no need for you to do any driving at all during your holiday, as our qualified, bi-lingual Spanish staff will take care of transport and all arrangements and translation you need during your holiday. If you prefer to hire a car we can book this for you.
