MGLive! Ticketing Goes Live on MG Car Club Website

- Book Early to Save Money

Abingdon – April 23 2009: Admission tickets for MGLive!, the World's largest MG event, which is being staged over the weekend of July 10, 11 and 12 at Silverstone circuit, are now available to purchase online from [www.mglive.com](http://www.mglive.com) - and those who book early will save £5 per ticket!

MG enthusiasts can purchase their admission tickets securely through a familiar shopping cart system and select which events they'd like to participate in throughout the course of the weekend. Those who pre-book will benefit from a £5 saving when compared to the on-the-gate prices.

With such a vast array of activities programmed, the online ticketing system separates each individual activity and allows enthusiasts to tailor a bespoke MGLive! weekend package. For those seeking an adrenaline laced experience there is the autotest, sprint and Pirelli Pro Rally Rides but for a more sedate weekend the concours and Circuit Tours will also be available to purchase online.

Commenting on the launch of the MGLive! online ticketing portal, MG Car Club Chairman, John Day, said; "The online ticketing system represents an exciting new dimension to MGLive! and provides those wishing to attend with an opportunity to save money. Within the first 24 hours ticket sales were very strong and we are expecting that this will prove a popular method of buying tickets for the event."

MGLive! will feature action on the track for the full three days, with races running continuously over the weekend. The MGLive! Arena will feature, amongst its many attractions, the amazing Russ Swift Precision Driving Team including its two-wheeling, spinning, dancing and parking routines. This year they will be demonstrating the versatility of the new MG TF LE500. Overhead the crowds will be entertained by the amazing Blades 4-plane aerobatic team on the Saturday.

To mark the 85th anniversary of the marque there will be a display of MGs through the ages from the earliest to the latest with the intention of covering every model ever made. Those wanting a more hands on experience will have the opportunity to take part in the Sunday morning circuit tour or take a trip round the track in an MG ZR.

Not only is MGLive! the largest MG event on the planet it is also the biggest MG race meeting in the UK. For further information and booking details visit the dedicated event website - [www.mglive.com](http://www.mglive.com).

-Ends-
