As Respected Virtualization Industry Specialists, Vizioncore Creates Blog Focused on Providing Trusted News Source for the Virtualization Industry

Buffalo Grove, IL, April 27th, 2009 - Vizioncore Inc., the market leader in virtualization data protection and management solutions, today announced its new corporate blog, Vizioncorum, available at www.vizioncorum.com. The blog will provide customers, partners, press, analyst and fellow bloggers with a trusted news source for the virtualization industry.

"With many other vendors' blogs being just a way to promote their own solutions, at Vizioncore we wanted to create a forum that is truly focused on customer needs to gather the right information to help them in their choice of virtualization solutions and best practices," stated Jason Mattox, Vizioncore CTO and VP of Support and Product Management.

The blog will include five main categories:

* Business
* Industry
* Products
* Technology and
* Best Practices

The contributors will include some already prolific bloggers, as well as key Vizioncore staff, including Scott Herold, Thomas H. Bryant III, Dave Feathergill, Jason Mattox, George Pradel and Brad Wagner.

Come and visit www.vizioncorum.com yourself and contribute, comment and participate.
