

Morgan Lovell Launches Cost-Cutting Guide To Office Re-Design

Submitted by: Shepherd PR Limited

Tuesday, 28 April 2009

Office design (<http://www.morganlovell.co.uk/our-services/office-interior-design/>) and refurbishment specialists Morgan Lovell (<http://www.morganlovell.co.uk/>) has produced a free online guide offering inspiration to transform workplaces (<http://www.morganlovell.co.uk/our-services/office-refurbishment/>) on a tight budget.

'Ten Affordable Ways To Re-Design Your Office

(<http://www.morganlovell.co.uk/our-services/office-space-planning/>)' is packed with compelling ideas to create motivational offices (<http://www.morganlovell.co.uk/our-services/office-space-planning/>) – which aid productivity and save money.

Written by Morgan Lovell's award-winning office designer

(<http://www.morganlovell.co.uk/about-us/industry-experts/>), Elaine Duke

(<http://www.morganlovell.co.uk/about-us/industry-experts/>), the guide outlines innovative ideas including the benefits of going open-plan, ways to reduce the amount of filing and storage, pointers on how to make energy savings and the merits of a design and build

(<http://www.morganlovell.co.uk/our-services/design-and-build/>) approach.

Aimed at people looking at office design, fit out or refurbishment

(<http://www.morganlovell.co.uk/our-services/>) – or even office relocation

(<http://www.morganlovell.co.uk/our-services/office-relocation/>) - it also includes ideas on saving money on furniture, making the most of break out spaces and how clever space planning can make your budget go further.

Elaine said: "We've included direct web links to case studies to illustrate each relevant point within the guide, to give readers a greater understanding of the ideas in action."

'Ten Affordable Ways To Re-Design Your Office'

(<http://www.morganlovell.co.uk/useful-info/articles/ten-affordable-ways-to-re-design-your-office/>)is

available as a free download at Morgan Lovell's website
