Chit Chat Bingo (<http://www.chitchatbingo.co.uk/>) is making slots history by inviting one of their top jackpot winners to front his own slots tournament.

Regular Chit Chat Bingo player TRIGGER1 scooped a whopping £26,480.21 jackpot with a £4 stake playing Bingo Slot on the April 6, 2009. Now the avid slots player is set to take on other players in the TRIGGER1 Slots Challenge - his very own slots tournament.

"The super friendly Chit Chat Bingo team asked me if I wanted to host my own slots tournament and I said bring it on," said TRIGGER1, who has been a Chit Chat Bingo member for over three years. "I love Chit Chat Bingo because it makes us every day people feel like superstars. I dare anyone to beat my jackpot!"

TRIGGER1's Slots Challenge is a competition for the biggest slots payouts in May. The player who spins the single biggest win will take home £3000, with £1000 for the runner-up and £500 for third place. Chit Chat Bingo will also pay £100 for the next five places bringing the total payout to a slot-busting £5000!

TRIGGER1 continued: "I don't want to reveal too many of my jackpot winning tips, but I've always hit the biggest payouts playing Cleopatra, Robin Hood, Bingo Slot, Alice in Wonderland and Heaven and Hell. These are Chit Chat's top slots with huge progressive jackpots. See if you can hit one too!!!"

Chit Chat Bingo was launched in January 2006 and has solidly grown into one of the biggest online bingo sites on the web. It has paid out over £110 million to over 200,000 registered players and is known for its friendly chat rooms, huge bingo (<http://www.chitchatbingo.co.uk/>) jackpots and fantastic player promotions.

The site hosts one of the largest online bingo communities in the UK, and welcomes all new players with a free £1 upon registration – that's 10 free games - and also matches new players' first deposit up to £125. All players with money in their account also get a free daily scratch card with a guaranteed cash prize up to £100.
