SilverDoor has added to its portfolio of Irish serviced apartments with new properties in Dublin.

"Serviced apartments in Dublin (<http://www.silverdoor.co.uk/serviced-apartments/dublin>) have always been a popular choice of accommodation but we have seen an increase within the last six months," said Chris Gee, Sales Director at SilverDoor. "We have some fantastic serviced apartments to offer our clients, in and around the city centre."

The new one and two bedroom apartments have been completely refurbished and modernised and consist of a fully equipped kitchen, luxury bathroom and a separate lounge with a dining area. All of the apartments are finished to a high standard with integrated appliances, granite work tops and marble tiling. As well as the amenities within the apartments, the serviced apartment block also offers complimentary internet access from their small business centre located in their reception as well as complimentary tea and coffee.

Rathmines Apartments are located in the popular Rathmines area on the south side of Dublin city centre. Traditionally, the south side of the city has always been perceived as a more middle to upper class area of Dublin. Rathmines Apartments offers a choice of one and two bedroom apartments. All apartments are furnished to a high standard with contemporary décor and offer a fully fitted kitchen with a range of appliances, wooden floors, built in wardrobes and plush bedrooms with king size beds.

The Morgan Apartments are situated within Temple Bar, one of the most vibrant and cosmopolitan areas of Dublin which maintains plenty of character and charm. The property is a modern boutique style apart hotel with beautiful apartments providing ideal leisure and business travel accommodation. The stylish apartments are contemporary in design with clean, simple lines and specially commissioned pieces of artwork, glasswork and lighting. These one and two bedroom apartments offer a comfortable lounge with dining area, a fully equipped kitchen and a separate bathroom.

Complimentary car parking is available as well as reduced rates at a nearby gym. The property also offers a bar with an extensive cocktail list and has just been announced as overall winner in the 'Best Cocktail Bar' awards.
