Leading motorcycle insurance broker Carole Nash (<http://www.carolenash.ie>) is celebrating the launch of their new Irish website by offering customers the chance to get their hands on a brand new Old Skool Bobber worth an estimated €30,000.

Anybody getting a no obligation motorcycle insurance (<http://www.carolenash.ie>) quote online at [www.carolenash.ie](http://www.carolenash.ie) between now and October 31st will be automatically entered into a draw to win the custom Bobber, built by the custom kings, Hawg Haven.

The bike, constructed live at the Carole Nash International Motorcycle and Scooter show at the NEC last November, wowed Irish riders when it made its debut at February's Carole Nash Irish Motorcycle & Scooter Show at the RDS.

Created in front of around 150,000 admiring bikers' eyes, the bike is built around a goosenecked Santee Rigid frame with a 38 degree rake and features a mighty Revtech 88ci, 1450cc polished motor and Mikuni carb five speed Revtech gearbox.

Visitors to the new Carole Nash Ireland site will still find the same great services and value-added insurance policies, with great value scooter, moped, modern bike and classic bike insurance (<http://www.carolenash.ie>) policies on offer alongside biker-friendly travel, car and home insurance.

For more information, pictures and Hawg Haven blogs on the bobber's creation, plus details of how to enter the free prize draw, visit [www.carolenash.ie](http://www.carolenash.ie).
